

# welcome to Moonlight

## Core Values :

Honesty & Transparency Speed & Commitment Global Quality Standards Win-Win Customer Relations Environmental Sustainability & Social Responsibility.

## Slogan :

From Source to Destination — Trusted, Global, Smart.

## About us :

Moonlight Dış Ticaret, headquartered in Istanbul since 2023, aims to become a key player in the global trade of raw materials and industrial products. We specialize in the international export of petrochemical products including PE, PP, PS, ABS, SBR, PBR, and Fertilizers; the chemical sector with materials like MEG, DEG, PEG; and refined oil derivatives such as Bitumen and Paraffin. We also provide access to mineral commodities including Cement, Clinker, Gypsum, and Iron Ore, supporting global supply chains with consistent quality and service. With active offices in Turkey, Iran, and Russia, and a strategic reach into India, China, the CIS region, Iraq, the Gulf, the Balkans, and Africa, we serve as a trusted link between supply and demand across continents.

## Services & Products :

**Petrochemicals:** PE, PP, PS, ABS, PBR, SBR, Fertilizer  
**Chemicals:** MEG, DEG, PEG  
**Derivatives:** Bitumen, Paraffin
